

GRENVILLE DRAPER

CURRICULUM VITA

November 2006

PERSONAL INFORMATION

Date of Birth: 24 September 1950

Place of Birth: Leeds, Yorkshire, England

Gender: Male

Citizenship: Naturalized US citizen since 1994

Address:

Department of Earth and Environment, Florida International University, Miami, Florida, 33199, USA, www.fiu.edu/~draper.

Office phone: (305) 554-3087

Fax No.: (305)-348-3877 **E-mail:** draper@fiu.edu

EDUCATION AND QUALIFICATIONS

- Present Licensed Professional Geologist, State of Florida, no. 816
- 1975 - 1979 Ph.D. (Geology) University of the West Indies, Jamaica. Dissertation: **Tectonics of the regionally metamorphosed rocks of eastern Jamaica.** 277 pp.
- 1973 - 1974 M.Sc.(Structural Geology), Imperial College, London. Thesis: **Catalasites and fault breccias: a preliminary study.** 58pp
- 1970 - 1973 B.A. (Hons) (Natural Sciences - geology), Cambridge University, Cambridge, England. Senior thesis: **Geology of the Union Hill area, St. Thomas, Jamaica.**
- 1962 - 1969 Morley Grammar School, Morley, Nr. Leeds, Britain

POSITIONS HELD

- 1990-present Full Professor and Graduate Faculty in geology, Florida International University
- 1999 Catedrático visitante, Departamento de Geología, Universidad de Salamanca, Spain
- 1991-1994 Chair, Department of Geology, Florida International University
- 1984 - 1990 Associate Professor (tenured) in geology, Florida International University, Miami, FL 33199, U.S.A. Courses taught: structural geology, tectonics, geological maps, field geology, physical geology, earth resources. *Developed Physical Geology Laboratory Course and Manual*
- 1978 - 1984 Assistant Professor in geology. Florida International University, Miami. Courses taught: structural geology, geological maps, field geology, physical geology, earth resources; also physical geography, mineralogy, optical mineralogy, petrology.
- 1975 - 1978 Curator, Geology Dept., University of the West Indies. In addition to curating, responsible for courses in structural geology and field mapping.
- 1974 - 1975 Temporary assistant lecturer, Geology Dept., University of the West Indies. Responsible for courses in structural geology, tectonics, metamorphic petrology, geophysics.
- 1973.-1979 Teaching assistant, Imperial College, London. Geology for Engineers.
- 1969 - 1970 Volunteer technical assistant, Geological Survey, New Hebrides, S.W. Pacific (sponsored by V.S.O., London - a British equivalent of "Peace Corps").

LANGUAGE SKILLS

Fluency in spoken and written Spanish; moderate reading ability in French.

COMPUTER SKILLS

Knowledge of Macintosh OS and various proprietary applications. Major Mac applications: Word, Excel, Illustrator etc.. Knowledge of Windows 95, 2000 OS and applications such as Word 97 and MS Works. Use of PageMill to create web pages and sites. Programming in BASIC and FORTRAN.

GEOLOGIC FIELD EXPERIENCE

- 1979-present Frequent and extended trips to the Dominican Republic mapping in Mesozoic and Cenozoic metamorphic, volcanics and sedimentary rocks. Includes student field camps.
- 1972- present Numerous trips to examine aspects of structural geology of the Caribbean and Latin American: **Jamaica (1972-1998), Dominican Republic (1979-2001)**, Curacao (1976), Trinidad (1978, 1992, 1999), Haiti (1979, 1982), Puerto Rico (1985, 1987, 2001) Central Mexico (1986, 1990, 1991, 1993), Barbados (1986, 1990, 1991), Belize (1998), Costa Rica (1999).
- 1999 & 2000 Teaching geologic mapping and structural geology in U. of Salamanca field camps in central and northern Spain.
- 1993-94 Relationship of volcanic vent alignment to structure in San Francisco Volcanic Field, northern Arizona.
- 1991 Student field camp in Colima, Mexico - Cretaceous continental margin and recent volcanism
- 1989 Study of microstructure development in the Caledonia Formation of St. Croix.
- 1989 Undergraduate field camp in Owens Valley, California - deformed Paleozoic sediments and recent volcanism
- 1987-2000 Extensive field trips in Iberian Peninsula to examine structure of Variscan, Pyrenean and Betic orogenic belts
- 1980 Undergraduate field camp in southern Appalachians
- 1979 Mapping in Cretaceous volcanics and deformed Tertiary sediments in southern Haiti.
- 1978 Supervision of University of the West Indies student field camp in Tobago, West Indies.
- 1974-1980 Mapping of metamorphic and associated rocks in Jamaica (PhD.); caves and karst landforms in western Jamaica; student field camps in both eastern and western Jamaica (supervisor).
- 1972 Leader and organizer of geological expedition to the Blue mountains, Jamaica.
- 1971 Field assistant to Drs. M.J.P. Welland and A.G. Smith, Othris Mts., eastern Greece.
- 1970 - 1974 Numerous student trips to localities in England Scotland, Wales, and Ireland in connection with B.A. and M.Sc. degrees.

MEMBERSHIP OF PROFESSIONAL SOCIETIES, ETC

Geological Society of London; Geological Society of America; American Geophysical Union; Miami Geological Society; Geological Society of Jamaica.

PROFESSIONAL SERVICE

2004-present Consulting advisor **Studia Geologica Salmanticensia**, Salamanca, Spain
1995-present Editorial Board *International Geology Review*
2001-present Editorial Board *Geologica Acta*, Barcelona, Spain
1997-present Founder and maintainer, *Caribbean Geology & Tectonics Website*
1992-present Chair, standing committee for the Caribbean Geological Conference series.
1989-present Appointed as an international evaluator for Comisión Interministerial de Ciencia y Tecnología, Government of Spain
1980-present Regular reviewer for geological journals: *Geology*, *Geological Society of America Bulletin*, *Journal of Geology*, *Journal of Marine and Petroleum Geology*, *Journal of the Geological Society of London*, *Tectonics*
1980-present Regular reviewer for National Science Foundation
1994 -2001 External examiner in Geology for the University of the West Indies (Jamaica Campus)
1996-2000 Assessor, EEC sponsored regional geologic mapping project, central Dominican Republic
1998-1999 Editorial Review Board, *Ocean Drilling Program*, Scientific results volume of Leg 165
1994 -1999 Leader, *International Geological Correlation Program, Project 364*, Caribbean Volcanic Arcs and Ophiolites
1989-1990 Co-editor, Transactions, 12th Caribbean Geological Conference, St. Croix, Nov. 7-11, 1989.
1989 Chairman, technical sessions, 12th Caribbean Geological Conference, St. Croix, Nov. 7-11, 1989.
1989, 1995 Reviewer for "Earth" published by W.H. Freeman
1988 & 1990 Reviewer for "The Dynamic Earth" published by John Wiley
1986- 1989 Associate editor, Journal of the Geological Society of Jamaica
1983 - 1984 President, Miami Geological Society.
1981 - 1983 Program chairman, Miami Geological Society
1977-1978 Council Member, Geological Society of Jamaica
1973 President, Sedgwick Club (Cambridge U. Geological Society)

UNIVERSITY AND COMMUNITY SERVICE

1996-1998 Faculty Senate
1997 University Sabbatical leave committee
1990-91 Member of College of Arts and Sciences tenure and promotion committee
1988-present Member university organizational prior approval (OPAS) committee.
1986-present Faculty advisor to FIU Geology Club.
1985-present Frequent appearances on local news media as commentator on geological issues such as earthquakes, volcanic eruptions, creationism etc.
1979-present Represented Geology program/department on budget, curriculum, and library committees of College of Arts and Sciences on various occasions.

HONORS AND AWARDS

- 2005 Fellow of Florida International University Honors College
1999 Recipient of State of Florida Professorial Excellence Program Award
1996 Recipient of State of Florida Teaching Incentive Program Award
1979 Elected Fellow, The Geological Society (of London).
1973-1974 Recipient of Natural Environment Research Council (U.K.) studentship.
1970 - 1973 Recipient of West Riding County Council (Yorkshire, England) Oxbridge Scholarship.

GRANTS

- 2003-2006 National Science Foundation: *GeoSCOPE (GeoScience Career Opportunity Exploration) - exploring Geoscience career opportunities* (Dr. R. Hickey-Vargas and G. Draper co-PD (\$600,000).
2002-2004 National Science Foundation (International Division), *Characterization of high pressure/ultra-high pressure alpine type garnet peridotite in the northern Dominican Republic.* (\$10,000)
2001-2004 National Science Foundation, Undergraduate Mentoring in Environmental Biology (J. Francisco-Ortega and L. Collins, PD's, several faculty associates: *Environmental Biology and Evolution in the Caribbean Basin*, (\$400,000)
1995-1999 NASA Topography and Surface Change Program: Co PI with Dean Whitman (PD) and Tim Gubbels; *Application of high resolution digital topography data to the detection of incipient sinkhole formation in central Florida* (\$222,155)
1995 Mellon Foundation faculty development grant for Latin American studies: *Shear zones and ophiolite emplacement in the Dominican Republic* (\$6000)
1994-1998 International Union of Geological Sciences/UNESCO *International Geological Correlation Program, Project 364: Correlation of ophiolites and volcanic arcs in the Caribbean* (\$6000 per year from IUGS/UNESCO; \$2500 from private sources)
1993-1994 Mobil Corp: *Neotectonic and paleostress studies in the Azua region, southern Hispaniola* (\$5000)
1992-1994 Department of Energy: Co PI with Charles Connor (PD) and Christopher Condit: *Dynamics of volcanic vent alignment in the San Francisco volcanic field, northern Arizona* (\$100,000)
1992-1993 National Science Foundation: *Correlation of tectonstratigraphic terranes in the northern Caribbean: a workshop* (\$13,000)
1989 Florida International University Foundation: *Studies of tectonite fabrics in the Caledonia Formation, St. Croix, U.S.V.I.* (\$7,740)
1985 - 1987 National Science Foundation Grant: *Continued studies of northern Hispaniola* (\$52,713).
1983 - 1985 National Science Foundation Grant: *Study of the Subduction Complex of N. Hispaniola* (\$62,000).
1979-present Various small grants from Latin American Caribbean Center of Florida International University for field and conference expenses (totals over \$2500)
1977 Geological Society of America research grant for analytical expenses (\$300)

PUBLICATIONS

Books and monographs:
