Post-Doctoral	Research Fellowship, 1992–1994 Touch Research Institute University of Miami, School of Medicine, Florida Specialty: Interventions with Infants at risk
Ph.D.	Florida International University, Miami, Florida, 1992 Major: Developmental Psychology Research: Behavior Analysis of Infant Social Learning
M.S.	Florida International University, Miami, Florida, 1989 Major: Developmental Psychology Research: Infant Social Learning
B.C.B.A.	Board Certified Behavior Analyst, State of Florida, 1991

HONORS AND AWARDS:

2015	<i>Faculty Research Award</i> , Florida International University, Honorary Degree and Awards Committee, a formal recognition for excellence in research.
2010	<i>Barnes & Noble Award</i> , Recipients: M. Bendixen & M. Pelaez for research on "The Effects of Contingent Maternal Imitation vs. Contingent Motherese Speech on Infant Canonical Babbling."
2006	<i>Frost Professorship Award</i> , College of Education, Florida International University; a formal recognition for excellence in research and scholarly work.
2005–2006	<i>Member of the Florida Board of Governors (BOG)</i> , State University System, Carolyn Roberts (Chair).
2005	<i>Faculty Service Award</i> , Florida International University, Honorary Degree and Awards Committee; a formal recognition for "excellence in university, state, national, and international professional and academic service."
2001	<i>Fellow of the American Psychological Association</i> , Division 25, Fellowship endorsed by APA Membership Committee, P. Reid, Chair and P. Zimbardo, President. (Fellow status is awarded on the basis of evaluated evidence of "outstanding and unusual contributions to the field of psychology.")

- 2001 *National Research Award* from the National Council for Teaching and Research in Psychology (Consejo Nacional para la Enseñanza e Investigación Psicológica-CNEIP, México). Awarded for excellence in teaching and research.
- 1997 *Faculty Research Award*, Florida International University, Honorary Degree and Awards Committee, a formal recognition for excellence in research.
- 1992 *International Doctoral Dissertation Award* granted by the International Society for Infant Studies (ISIS): "Infant learning to reference maternal emotional cues" (J. Gewirtz, Chair).
- 1991 *Outstanding Academic Achievement Award in Psychology*. Granted to doctoral students by Florida International University, Department of Psychology, College of Arts and Sciences.

ACADEMIC & RESEARCH POSITIONS:

- 2016– *Frost Professor*, College of Arts, Sciences, & Education (CASE), School of Education & Human Development, FIU
- 2006–2015 *Frost Professor*, College of Education, FIU
- 2008– *Adjunct Research Professor*, University of Miami, Touch Research Institute (TRI)
- 2004–2006 *Professor*, College of Education, FIU
- 2005–2010 *Affiliate Professor*, Robert R. Stempel School of Public Health, FIU
- 1998–2004 *Associate Professor*, Department of Educational Psychology & Special Education, Tenured on July 1998, FIU
- 1997– *Affiliate Professor*, courtesy appointment, Department of Psychology, FIU
- 1994–1998 *Assistant Professor*, College of Education, FIU
- 1992–1994 Post-Doctoral *Research Fellowship*, University of Miami, Medical School, *Touch Research Institute*.

VISITING TEACHING & RESEARCH POSITIONS:

- 2012 *Affiliated Professor*, *University of Oviedo*, Spain. Master Program in Behavior Analysis (Dr. L. Perez-Gonzalez). To deliver a course on child developmental learning processes.
- 2011–2013 *Affiliated Professor*, *University of Córdoba*, Spain. Master Program in Psychology (Dr. J. Heruzo, Program Chair)
- 2011– *Affiliated Supervisor*, *Centro Almudaris*, *Córdoba*, Spain. Supervised of intervention with young children with autism spectrum disorders (A. Pastor & J. J. Carnerero, Directors).
- 2008, 2009 *Centro Almudaris*, *Córdoba*, Spain. Supervised intervention with young children with autism (A. Pastor & J. J. Carnerero, Directors) and *University of Cordoba*, Spain (Dr. J. Heruzo, Program Director).
- 2008, summer *Affiliated Professor*, *University of Nevada*, Reno. Taught an advanced (PSY756) graduate seminar on "Child Development and Behavior Analysis" (Invited by Dr. L. Hayes, Department of Psychology, Program Director, Behavior Analysis Program).
- 2006, summer *University of Lille*, France. Delivered a colloquium on research exploring "Stimulus equivalence with infants." (Invited by Dr. J.C. Darcheville, Chair of Psychology)

- Department and Director of Learning Laboratory and collaborated on research project with Dr. V. Riviere).
- 2006, summer *Centro Almudaris, Córdoba, Spain.* Developed and supervised intervention with young children with autism (invited by J.J. Carnerero, Director).
- 2005, summer *Universidad de Oviedo, Spain.* Taught a seminar on "Child Learning and Development" (invited by Dr. L. Pérez-González, Program Director).
- 2004, summer *University of Sao Carlos, Sao Carlos, Brazil.* Served as reviewer and advisor of four dissertations and one post-doctorate fellowship (Dr. C. Goyos, Program Director, Research laboratory, Department of Psychology).
- 2003, summer *Universidad de Oviedo, Spain.* Taught undergraduate seminar on "Child Development" (invited by Dr. L. Pérez-González, Program Director; Department of Psychology).
- 2002, summer *National University of Ireland, Maynooth.* Developed and conducted an experiment with Dr. Dermot Barnes-Holmes and Dr. Denis O'Hora on "Instructional control and transformation of function across cultures as a function of subjects' verbal and spatial abilities."
- 2001, summer *Universidad de Oviedo, Spain.* Taught an undergraduate seminar in "Child Development" (invited by Dr. Luis Antonio Pérez-González, Program Director).
- 2001, summer *Universidad Veracruzana, Xalapa, México.* Taught a graduate seminar on "Infant Development and Social Learning Processes." (Invited by Dr. S. Figueroa and Dr. W. Salas, Program Directors).
- 2001, spring *Instituto Tecnológico de Sonora, Ciudad Obregón, México.* Taught graduate workshop on "Infant Learning and Development" (Invited by Dr. Y. Ramos Estrada, ITS).
- 2000, summer *Universidad de Oviedo, Spain.* Taught an undergraduate seminar in "Child Development" (invited by Dr. L. Perez-Gonzalez, University of Oviedo).
- 1999, summer *Universidad Veracruzana, Xalapa, México.* Taught graduate seminar on infant development and behavior analysis; taxonomy of rule and their correspondence to rule-governed behavior and applications to educational psychology (Dr. W. Salas and Dr. D. Gomez-Fuentes, Program Directors).
- 1998, fall *University of Almería, Andalucía, Spain.* Taught an advanced graduate seminar for a week on "Infant social learning: A behavior-analytic approach." (Dr. C. Luciano, Psychology Department Chair and Program Director).
- 1998, summer *Universidad Veracruzana, Veracruz, Xalapa, México.* Instituto de Psicología Aplicada a la Educación. Chaired 3 Master Theses-research projects and their successful defense (students: G. Herrera, R. Cortéz, H. Meráz) and delivered a four-week seminar on "Behavior Analysis of Early Child Development."
- 1997, summer *Universidad de Sevilla, Spain.* Deliver a workshop and wrote two theoretical papers on "Taxonomy of rules and rule-governed behavior" in collaboration with the faculty of the Department of Psychology at this University (Dr. R. Moreno).
- 1997, summer *University of Nevada, Reno.* Taught a graduate seminar on child development and participated in laboratory meetings and research projects and papers (invited by Dr. L. Hayes, Department of Psychology, Program Director, Behavior Analysis Program).
- 1995, summer *Universidad de Guadalajara, Jalisco, México.* Centro de Estudios e Investigaciones Psicológicas (invited by Dr. Emilio Ribes-Iñesta, Director). Delivered a seminar and published in a special issue of *Journal for Experimental Analysis of Behavior*.

GRANTS

Funded Research as Co-Principal Investigator:

Funded Research to Principal Investigator Dr. Tiffany Field, University of Miami, Martha Pelaez as Co-Principal Investigator and consultant:

National Institute of Drug Abuse Grant # HR 66732 from 9/1/92 to 8/31/93, amount granted \$732,558.00. Project Title: "Interventions for Cocaine-Exposed Teenage Mothers and their Infants."

National Institute of Mental Health Grant # HR 664697 from 2/1/92 to 1/31/93, amount granted \$327,200.00. Project Title: "Preventing Depression in Infants of Depressed Adolescent Mothers."

National Institute of Mental Health Grant application # RFA AA-94-05 from 9/01/94 to 8/31/97 amount granted \$1,371,670.00. Project Title: "Intervention for Alcohol Using Adolescent Mothers and their Infants."

National Institute of Child Health and Human Development (NICHD), grant funded from 8/1/2009–1/31/2012, amount granted \$450,000. Project Title: "Prenatal Depression and a Yoga Intervention." M. Pelaez, study monitor.

Funded Research as Principal Investigator:

Florida International University-College of Education Dean's Grant from 1/99 to 5/99 amount granted \$5,500.00 (equivalent to one course release). Project Title: "Early Interventions with Infants At-Risk for Language Development Delays."

Florida International University, Summer Grant/Provost Office from 5/99 to 7/99, amount granted \$11,000.00 (equivalent to summer A release from teaching). Project Title: "Interventions with Infants "At-Risk" of Language Delays."

Florida International University-College of Education Dean's Grant from 1/2000 to 5/2000 amount granted \$6,000.00 (i.e., equivalent to one course release). Project Title: "Experiment II: Developing Interventions with Infants At-Risk for Language Developmental Delays."

Florida International University-college of Education Dean's Grant, spring, 2001, amount granted to buy a Touch Screen equipment and a PowerBook laptop (total amount granted approximately \$ 4,500.00 on equipment) to run the study titled "Exploring the Emergence of Stimulus Equivalence and its Relation to Language Development."

Florida International University Foundation Summer Research and Provost Office Grant for summer, 2001, amount granted \$ 10,784. Project title: "The Formation of Stimulus Equivalence."

Florida International University-college of Education Dean's Grant, fall, 2002, amount granted to contract a research assistant (for \$ 4,500.00) to analyze data collected for the study titled "Exploring the Emergence of Stimulus Equivalence and its Relation to Language Development: A pilot experiment: Phase II."

Mini-Grant Program, Faculty Technology Projects, FIU. COE. The PT3 grants awarded mini-grants to faculty for technology integration into education programs. Amount granted was \$2,500 to support the use of technology to teach child learning & development courses to faculty across the US.

Department of Education. Consultant on a Grant to Lisbeth Dixon-Krauss, PI, Spring 2004. This is a family literacy program that extends the SPARK program for 3- and 4- year old preschool children and the Miami-Dade School Readiness Coalition and Early Childhood Initiative, amount granted as consultant \$ 4,200. My role was to conduct research on pre-literacy communication and reading educational opportunities for 1-, 2-, and 3-year olds.

Patricia and Philip Frost Professorship Award for scholarly productivity, 2006. I received this named professorship award in the amount \$10,000 in recognition of my research program.

Grants Submitted/Not Funded

National Institute of Health (NIH). Grant proposal submitted by Miguel Diego & T. Field (re-submitted, pending approval). Title: Reducing Uterine Artery Resistance by Massage Therapy. If funded, my role as written on this grant proposal, will be to supervise the research associates on the Structured Clinical Interview for Depression with the prenatally depressed mothers, serve as our IRB monitor for any IRB issues and collaborate on reports and publications.

Irish Research Council for the Humanities and Social Sciences (IRCHSS, Grant not funded, 2009) submitted by Denis O'Hora. This is a 3-year project proposal titled: "The developmental trajectory of children's understanding of temporal relations." If funded, as in the grant description, my role will be as developmental psychologists and behavior analyst.

Unites States Department of Agriculture (USDA, Grant under review, 2009, 2010). This is a 3-year Project titled: "After School Obesity Prevention Program in

Underserved Elementary Schools Students." If funded, my role will be as consultant as education expert. Project directors Zisca Dixon and Fatma Ercanli (Rose) Huffman, Robert Stempel School of Public Health, **Dietetics and Nutrition Program, FIU**, HLS 450.

NIH. Minority Biomedical Research Support Program (MBRS), SCORE Program. Research Grant Proposal submitted in January 2000, amount requested \$269,462.00 (a three-year period of support). Project Title: "Early Interventions with Infants at Risk of Language Disorders."

National Institute of Mental Health from 12-01-00 to 11-30-03 amount requested \$254,761.00. Project title: "Stimulus Control Analysis of Presymbolic and Symbolic Potential." Project Director: Dr. William J. McIlvane. Principal Investigator in Miami's Laboratory/Site: Dr. Martha Pelaez.

Florida International University, College of Education, Dean's Grant, Spring, 2002, Project Titled: "Instructional Control and Relational Framing Across Cultures as a Function of Language, Mathematical, and Spatial Skills."

National Institute of Mental Health, application #1RO3MH52133-01 from 4/01/94 to 4/01/96, for \$143,047.00. Title: "Maternal Depression Effects on Infant Social-Referencing." Submitted as Principal Investigator on 6/93.

National Institute of Mental Health, application # 1RO3MH51369-01A1 from 4/1/94 to 3/31/96 for \$146,962. 00. Title: "Touch During Depressed Mother-Infant Interactions." Submitted as Principal Investigator on 5/93.

March of Dimes Birth Defects Foundation, application No. 12-FY94- submitted 07-20-93 as PI, amount requested \$ 84, 227.00. Title: "Cocaine-exposed children: Selective Attention and Aggression."

Department of Education, Washington. The Comprehensive Program Fund for the Improvement of Post-Secondary Education, amount requested \$ 283, 845.00 from 9/1/95 to 8/31/98. Francis J. DiVesta, as Co-Director. Title: "Curriculum Intervention for Development of Self-Efficacy Rule-Governed Behavior: Improving Retention and Success Rates of Minority Students in Post-Secondary Education."

Florida International University, Foundation Research Project Funding Competition, for summer 1995, 1996, 1997, amount requested \$ 8, 625.00. Title: "The Role of Maternal Speech on Infant Language Development."

OSEP, U.S. Department of Education, Washington, D.C. Title: Early Identification and Prevention of Antisocial Behavior in Toddlers Through Partnership with Parents, from September 1997-August 1999, amount \$ 225, 000.00. This Field-Initiated Research Grant proposal (CFDA 84.023C, Absolute Priority 2), requested funding for 24 months to support innovation in assessment and intervention to advance knowledge and clinical practice in the instruction of toddlers at-risk for

emotional/antisocial behavior problems. Grant application submitted on Nov 1996 with Dr. Smita Shukla as Co-Investigator.

Dean's Grant, College of Education, Florida International University for spring, 2002. Project title: "Instructional Control across Cultures as a Function of Language, Mathematical, and Spatial Skills." Data collected at FIU based on collaborative research currently being conducted with the National University of Ireland, Maynooth (with Dr. Dermot Barnes-Holmes).

National Institute of Health (NIH) SCORE-MBRS-RISE. From 3-01-04 through 4-31-07, amount requested \$ 533,282 (four-year period). (Project Title: Stimulus Equivalence in Infancy as Related to Language Development." This grant proposal was resubmitted (spring, 2005).

College of Education, FIU. Using Technology to teach "Child Learning and Development" courses. A mini-grant proposal (\$2,500) funded (spring, 2004).

National Institute of Health (NIH), (January, 2017). In collaboration with Touch Research Institutes of T. Field, Ph.D., Principal Investigator re-submitted a grant proposal to NIH, R21, titled: "Tai chi and yoga to reduce prenatal depression and cortisol and increase gestational age and birthweight" for 2 years for \$250,000.

National Institute of Health (NIH), (2016). In collaboration with Touch Research Institutes of T. Field, Ph.D., Principal Investigator and Director, submitted a grant proposal to NIH, R21, titled: "Reducing prenatal depression, increasing uterine artery blood flow and decreasing prematurity by moderate pressure massage" for 2 years for \$250,000.

National Institute of Health (NIH) (2016). In collaboration with Touch Research Institutes of the University of Miami School of Medicine, Department of Pediatrics and T. Field, Ph.D., Principal Investigator and Director, submitted a grant proposal to NIH, R21, titled: "Reducing prenatal depression, immune dysfunction and prematurity in HIV+ women". This grant request was resubmitted as an R21 and also for two years and for the amount of \$250,000. As collaborator on this grant submission my responsibilities include to assist with data collection, analyses and writing report.

School of Education & Human Development (CASE, FIU) SEED grant, (March, 2016). Proposal titled: "Infants and Young Children at Risk of Autism Spectrum Disorder: Procedures for Establishing Early Social Skills." Request for \$20,000.

Ruth L. Kirschstein National Research Service Award (March, 2016), grant proposal titled: "Neonatal Massage for Neonates with Congenital Heart Disease" submitted by Jennifer Hernandez (doctoral student, Dr. Bagner, Chair). My infant massage protocol is the intervention in this project.

Service to Professional Associations and Boards:

- 1990–2007 *Co-Chair of the "Special Interest Group in Behavioral Development" Convention Programming for the Association for Behavior Analysis (ABA)*. Beginning in 1990, every year we have submitted an average of 15 symposia for the annual meeting of the Association. I invited highly renowned speakers to this conference (e.g., Kurt Fisher from Harvard University; Hayne Reese, West Virginia University; Tom Bower, UCLA Willis Overton, Temple University, William Baum, UC–Davis, Kurt Salzinger, APA). The programs of the symposia organized are annually organized and published in the *Behavioral Development Bulletin*, Martha Pelaez, Editor.
- 1992 *Member, Steering Committee of International Conference for Infant Studies (ICIS)*. In collaboration with Dr. Tiffany Field of the University of Miami developed the program and prepared local arrangements for the International Conference of Infant Studies, May 7-10, Miami Beach.
- 1991–2015 *Editor, Behavioral Development Bulletin*, the Bulletin of the *Development Special Interest Group* of the Association for Behavior Analysis.
- 2015– **Co-Editor (with M. Commons) of the Behavior Development Bulletin, an APA journal.**
- 1993–1994 *Interim Co-Director, Touch Research Institute, University of Miami Medical School, Department of Pediatrics*. Service here included the supervision and coordination of the research activities of some 30 research associates and research assistants working in three laboratories and school settings located at Lindsey Hopkins Technical School of Dade County Board of Education, at the Mailman Center for Child Development, and at the Touch Research Institute.
- 1995–2009 *Member of Editorial Board of The Behavior Analyst journal*. Reviewer of manuscripts submitted for publication.
- 1995–2002 *Member of Peer Review Committee (PRC), for Behavior Analysis Group for the State of Florida, Department of Children & Family Services, Director Michael Hemingway, Senior Behavior Analyst*. Responsibilities include services connected with the committee's statewide oversight process concerning behavior analysis services provided by the department of Children and Family Services. These services include participation on Peer Review Committee on-site monitoring of behavior analysis services, development of guidelines and Medicaid-Waiver analysis, writing the Florida

- Behavior Analysis Certification Examinations and review proposals for Behavior Analysis Certification Programs.
- 1998 *Editor*, for the Special Issue on Human Development/Volume of the Mexican Journal of Behavior Analysis titled: *Behavior Analysis of Development*.
- 1999–2001 *Program Co-Chair*, (Francis McSweeney, Chair) of ABA (the Annual Meeting of the International Association for Behavior Analysis). Developed and reviewed the Convention Program of 3 meetings: Chicago, IL, Washington, D.C. & New Orleans, LA.
- 1999 *Program Co-Chair* (with Wayne Fisher) Division 25 (Experimental Analysis of Behavior), Convention Program of the *American Psychological Association*.
- 2000–2002 *At-Large Member of the Executive Committee*. Division 25 of the American Psychological Association (APA).
- 2000– ***Member and Trustee of the Cambridge Center for Behavioral Studies, Cambridge, MA.***
- 2000 *Co-Chair, Convention Program Division 25, American Psychological Association*. With J. Fisher, created the convention program for Division 25.
- 2001 *Senior Chair, Convention Program Division 25, American Psychological Association*. I personally invited all the presenters and organize all Programs for the division. The total number of presentations in our program was 42, consisting of: 13 invited addresses (included 7 award presentations), 5 symposia (23 presentations), 1 paper session (2 presentations), 1 discussion panel (2 presentations), 1 plenary session, and 1 Division 25 presidential address and a business meeting. This years' symposia themes covered a variety of basic and applied topics, among them: School Psychology and Education, Human Development, Early Learning Processes, Communication and Autism, Virtual Instrumentation for Research, Theoretical and Conceptual Issues, Certification and Credentials in Behavior Analysis, Mechanisms of Drug Addiction, Stimulus Equivalence and Derived Relations, and Reinforcement and Motivation. I organized the award presentations.
- 2001– *Fellow of the American Psychological Association* (fellowship endorsed by APA Membership Committee, Pamela Reid, Chair). Fellow status is awarded on the basis of evaluated evidence of outstanding and unusual contributions to the field of psychology.
- 2002–2006 *Co-Chair Program for the Human Development track of the Association for Behavior Analysis*. With J. Gewirtz prepared the Special Interest Program in the area of Human Development and Gerontology, for the Annual Conferences.
- 2003– *Trustee*, Board of Trustees of the Cambridge Center for Behavioral Studies, Phil Chase, Director, 2011.
- 2005– *Member of Advisory Board*, European Institute for the Study of Human Behavior (IESCUM), Paolo Moderato (Chair), University of Parma, Italy.
- 2007–2014 *Member of the Governing Board of the Behavior Analyst Online (BAO)* (M. Weinberg, Editor). This is a private group for the governing board of the behavior analyst online organization www.behavior-analyst-online.org a special interest group of the Association for Behavior Analysis International.) This group is in charge of the publication of 7 scientific peer-reviewed journals.

- 2007–2009, 2011 *Chair and Co-Chair of Human Development Special Interest Group (SIG) of ABAI (Association for Behavior Analysis International).
