

## NETWORKING TOOLS

Have your resume and cover letters critiqued by a Career Advisor at Career & Talent Development

Review and research jobs on Handshake and LinkedIn accounts

## NETWORK

Schedule informational interviews with professionals in roles that you see yourself in

Speak to employers during Career Fair and/or graduate school representatives at the Graduate School Fair

## WORKSHOPS

Attend "Putting Your Degree to Work", "Preparing for Graduate School", & "Preparing for the Workforce" webinars by CASE Career

Attend the "Interviewing Skills" workshop and Career/Graduate School Fair hosted by Career & Talent Development

## POST GRADUATION PREPARATION

Organize your job search (create a list of employers, send resumes, and practice mock interviewing with Career & Talent Development)

Organize your graduate school search. Create a spreadsheet with the following: deadlines, application materials, requirements

## GRADUATION

Graduate!

Start attending alumni career readiness programming
