Your Homepage – Schedule an Appointment

The Panther Success Network provides you with multiple tools to ensure your academic success:
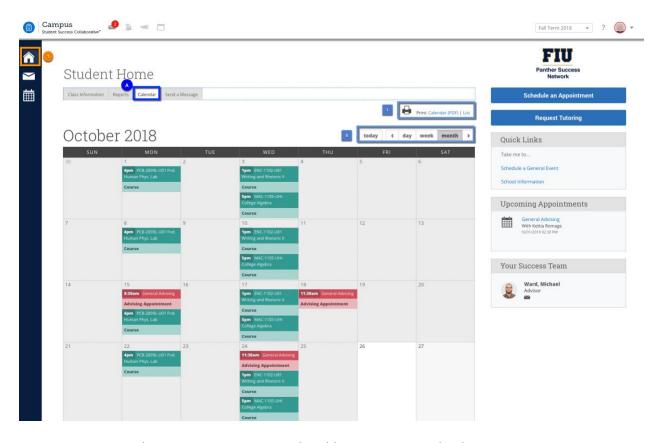

1. Access your PSN Student Home page by clicking on the home icon
2. Selecting the current term allows you to:
   A) View class information:
      i. Classes you are enrolled in this term. You may also select past or future terms.
      ii. Class information, such as course prefix and number, professor, meeting days and times and classroom location
3. Schedule an appointment with your assigned academic advisor
4. Access quick links, such the FIU, MyFIU, OneStop, and Panther Degree Pathway websites
5. View information about your upcoming appointments
6. Find out who the members of your FIU success team are

Message Your Advisor

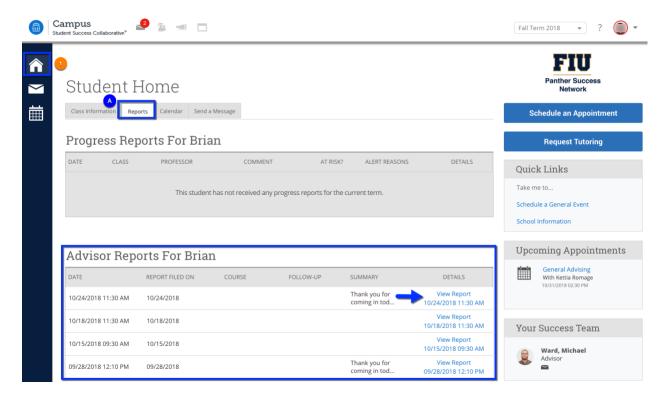

1. You can view messages from your FIU success team by clicking on the envelope icon:
   A) Check to view personal and unread conversations (messages)
   B) Search for a message sent to you by a specific FIU success team member
   C) View sender's name and conversation topic
   D) Click on the conversation topic to view details of your message

Your Calendar

1. On your Student Home page, you are also able to view your calendar:
   A) Classes and appointments
      i. Print a PDF or list version of your calendar
      ii. Select whether you prefer to access a daily, weekly, monthly view of your calendar

Advising Reports

1. On your Student Home page, you are also able to:
   A) View advisor reports and notes from your professors, tutors and assigned advisor:
      - View the date an advisor report or note was created, who created it, a brief description, and reasons
      - View full detail of the note and open attachments if there are any
