Success Markers & Milestones

Success Markers: A success marker is a guidepost along a student's academic journey which highlight enrollment in a critical course, or successful completion (C or better) of a critical course. Some markers require that a student completes the course (completion) and some markers require (enrollment) in the course by the specified credit amount.

Credits	30	45	60	75	90
Enrollment	STA2122 OR STA2023		BSC 2023 & DEP 2000, DEP 2001, SOP 2772, CLP 2001, OR PSB 2071		
Completion	PSY2012	STA2122 OR STA2023		PSY3211	PSY3211 (<i>no more than 2 attempts</i>)

Milestones: A milestone is a significant moment in the student's academic journey where a decision is typically made related to the student's continued progress in a major. The student should be enrolled in or should have completed the following courses by the 60 or 90 credit mark, respectively.

Credits	60	90

Psychology Major: Graduation Checklist & Notes:

University Core Curriculum- ([UCC](#)) or AA Degree Completed

Major listed as Psychology (PSYC:BA) by the 90th credit

36 credits with C or better taken for psychology coursework

45 credits (minimum) of upper division credits earned

University Language ([FLENT/FLEX](#)) Met

Global Learning ([GL](#)) Requirement Met

AA transfers- 60 credits must be taken at FIU

If admitted to FIU with fewer than 60 credits
9 credits must be earned in the summer

General Information:

- With both FIU and transfer courses you must have at least 120 total hours (including 36 major hours) to earn a B.A. A grade of "C" or better must be earned in the 36 major hours.
- All courses in the major are taught in the Department of Psychology. Other courses not offered by Psychology do not count toward the psychology major. For example, Education Psychology (EDP 3004) is taught by the College of Education. It is not counted toward the major, although it will count as a General Elective.
- "Upper division courses" at FIU are those with 3000 and 4000 level course numbers

For Students with an AA degree from a State of Florida or Community College (MDC, BC, PBC etc.)

- General Education Requirement (or [UCC](#)) are met once an AA is earned from a State of ([FL](#)) College or University
- The maximum number of credits you may transfer into FIU is 60. This means that you now have to earn at least 60 credits at FIU to receive a Bachelor's degree.
- Introductory (or General) Psychology meets the requirements for entry into the major
- Additional Psychology courses taken at the lower division level (at a community college) cannot be transferred to satisfy the Psychology major upper division courses at FIU.

For Students transferring from a College or University without an AA degree:

- If you are transferring without a Florida AA Degree, you must meet the requirements of the University Core Curriculum ([UCC](#)) as described in the FIU Catalog.
- University Core Curriculum ([UCC](#)) may be met by courses transferred to FIU, courses taken from FIU or a combination of FIU and non-FIU courses. Once accepted into FIU, transfer credits will be evaluated and any UCC deficiencies will be noted. Students should check the ([TED](#)) database for more information on credit equivalency.

For Students transferring with earned Upper Division Course Credits

- The maximum number of credit hours transferrable into FIU is 90. You may transfer up to 60 hours of lower division credit hours and up to 30 hours of upper division.
- Regardless of the number of upper division credit hours of Psychology that you have taken at another college or university, the maximum number that you may use to meet FIU's requirements is 18. You must take 18 of the 36 required credits for the major at FIU. Additional upper division transfer hours may be counted as general electives.

Important Note:

It is the student's responsibility to ensure a total of 120 credits is earned, of which 45 credits MUST be upper division (300/4000 level) and 36 credits with a grade of C' or better must be earned for the Psychology Major.
