Civic Literacy Requirement: Beginning in the 2018-2019 school year and thereafter, all first-time-in-college baccalaureate seeking students entering a State University System institution must demonstrate civic literacy by satisfying the State of Florida's, civic literacy requirement. Students at FIU can satisfy the civic literacy requirement by successful completion of any one of **AMH2020** or **POS2041**, or by achievement of the standard score on one of the following assessments:

- Advanced Placement (AP) — Government & Politics: United States (Min score of 3)
- Advanced Placement (AP) — United States History (Min score of 4)
- CLEP — American Government (Min. score of 50)
- Florida Civic Literacy Test (CIV 2222) — (Min. score of 60). CIV 2222 will be proctored and administered through the University Testing Centers at MMC and BBC. This test will be offered to FIU students free of charge on specified dates each semester. Students who choose to test outside of the designated dates may test on a walk-in basis. Sign up to take the CIV 2222 test at FIU.

Students are strongly encouraged to fulfill this requirement before the end of their first year. No baccalaureate seeking student admitted during the 2018-2019 school year and thereafter, may graduate from FIU without first having met this requirement.
