

VIPTeacher – Recruitment FAQ for New Educators

What is VIPTeacher?

VIPTeacher is an online education platform that connects qualified North American teachers with students in East Asia for live, one-on-one English instruction. We offer flexible, remote teaching opportunities with full training and support — perfect for recent Education graduates looking to build experience, earn income, and make a global impact.

What are the qualifications to apply?

Applicants must:

- Live in the U.S. or Canada
 - **Cannot reside in California, Connecticut, New York, Washington, or Washington, D.C.**
 - Hold a Bachelor's degree (Education degree preferred but not required)
 - Have experience teaching, tutoring, or mentoring
 - Be fluent in English
-

What is the application process like?

We've designed a supportive, step-by-step process to help new applicants get started with confidence:

Step 1: Submit your application via Google Form

Step 2: Receive a welcome email with our VIPTeacher Roadmap, FAQ video, and invitations to weekly info sessions

Step 3: Attend an informational session to learn more and receive your next steps

Step 4: Join a 60-minute onboarding workshop

Step 5: Submit a demo class or short teaching video (with guidance from our team)

Step 6: Our team reviews your application and demo

Step 7: Receive your teaching contract and officially join VIPTeacher

Step 8: Access onboarding support, live office hours, and community resources to start teaching strong

Who are the students?

Students are primarily in grades K–9 and based in East Asia. All classes are one-on-one, focused on English language instruction using structured, pre-designed curriculum — no lesson planning required.

What is the teaching schedule like?

You choose your own schedule! Most teaching takes place during peak hours:

- **Weekdays:** 6:00 AM – 9:00 AM ET
- **Weekends:** Flexible daytime and evening hours (Eastern Time)

Start with just a few slots and build your schedule over time.

Is this a full-time or part-time role?

Most VIPTeachers teach part-time. This is a great option for:

- Recent grads looking for flexible income
 - Teachers in transition or between jobs
 - Teachers looking for supplemental income
 - Educators exploring online and global teaching opportunities
-

How much do teachers earn?

Compensation varies by program, class type, and performance:

- Most teachers earn **\$15–\$20 per hour**

- Bonuses are available for peak-time teaching, strong performance, and successful referrals

What support does VIPTeacher provide?

You'll have access to:

- Weekly onboarding workshops and live info sessions
- 1:1 and small-group support throughout onboarding
- Teaching resources, demo preparation help, and video guides
- A dedicated U.S.-based Community Team
- Live office hours, Q&A sessions, and teacher-led events
- Opportunities for growth, professional development, and incentives
