

EXTRACURRICULAR RESOURCE GUIDE

JOIN OUR LISTSERV FOR MORE OPPORTUNITIES!

SHADOWING/INDIRECT CLINICAL EXPERIENCE

Shadowing

- You may ask someone you know friends/family that may work in the healthcare field. You may also ask your doctor/dentist/etc.
- You can obtain a list of specialties you are interested in.
- You may find doctors to shadow on LinkedIn (make sure your profile is up to date); message doctors and ask about shadowing at their clinic.
- You can do this for any other pre-health track.

Hospital Observership Programs

Baptist Observer Program (Cost: \$100)

UM Pathology and Laboratory Medicine Observer Program (Cost \$150)

Bascom Palmer Eye Institute at UM Observership Program

You can also search "Name of Hospital Observership Program". A lot of programs will require payment.

200+ HOURS

*SPECIALTIES YOU ARE INTERESTED IN.

**Hours vary depending on pre-health track.

DIRECT CLINICAL EXPERIENCE

- * **Medical Scribe:** No certification required. Scribing companies will provide proper training.
Where to apply: Scrivas, ScribeAmerica, other companies, or directly by asking a physician/PA/Optometrlist/etc.
- * **Medical Assistant (MA):** In Florida, no certification is required although some hospitals may ask for one.
Can apply through websites like LinkedIn, Indeed, or Google Jobs.
- * **Caretaker:** In Florida, there are no certifications needed to become a caretaker.
If interested you can apply through websites like LinkedIn, Indeed, or Google Jobs.
- * **Patient Care Technician:** In Florida, you will need to complete training program which can last ~10 months.
Can apply through websites like LinkedIn, Indeed, or Google Jobs.
- * **Certified Nursing Assistant (CNA):** Requires certification which can be 4-16 weeks. Programs are offered by local community colleges, vocational schools, and the Red Cross. Can apply through websites like LinkedIn, Indeed, or Google Jobs.
- * **Emergency Medical Technician (EMT):** Requires certification for EMT or Paramedic; take and pass National Registry of EMT or Paramedics computer + skills exam.
- * **Phlebotomist:** Requires certification which can take 4-12 weeks depending on the program.

* MINIMUM 1000 HOURS FOR FIU'S PA PROGRAM

**HOURS VARY DEPENDING ON PRE-HEALTH TRACK AND SCHOOL(S) OF INTEREST.

RESEARCH

Summer Research Programs

Generally held June-August, usually you are given a stipend. Deadline usually in March, you will need Personal Statement, Letters of Recommendation, etc., depending on the program. They tend to be competitive, consider applying to more than one.

Other Research options: Consider researching about the lab well before applying.

* FIU HWCOR Research Opportunities

* FIU CASE Research Opportunities

* FIU Labs & Facilities

*FIU Research

FIU Honors College- Research

**Reach out to doctor/researcher through LinkedIn and ask for an opportunity to research at their lab.

1+ Research Publication/Presentation.

FIU STUDENT ORGANIZATIONS

FIU Pantherconnect

Where you can find all clubs at FIU, you can filter by interests. Consider looking into their website/social media for further information on their events.

- Join a club for pre-health students as it will help you get connected with other students + find opportunities.
- Consider joining a club that aligns with another interest of yours.
- Help in finding resources or networking opportunities to find new experiences.
