

Keys to Successful Supervised Field Experience

Ensure you have a supervision contract in place before starting

Note that RBT supervision does not meet BCaBA training requirements

Ensure the supervisor is a qualified BCBA in good standing

Ensure you will be provided with hands-on training and supervision

Only accept W-2 employment, not 1099 contractor positions

Discuss your experiences with faculty and seek better opportunities if necessary

Review the BCaBA handbook and learn more about the requirements to get certified at WWW.BACB.COM
